

Women Who Go

Golang NYC

Women Who Go

Women Who Go is an inclusive space for women, non-binary and transgender people with interest in the Go programming language, or programming in general.

WWG NYC Goals

Women Who Go NYC Focuses on:

- Encouraging women and gender minorities to learn Go
- Providing learning opportunities for introductory and advanced Go topics
- Building more gender diversity in the Go community
- Promoting women and gender minorities in the Go community
- Creating a welcoming space for anyone interested in Go
